TWO WORLDS OF AFRICA

By Chioma S. Nwachukwu
OVERVIEW

- Friends Africa
- Sub-Saharan African Health Crisis
- Two Worlds in Africa
- What is Nagasaki’s role?
FRIENDS AFRICA

• Launched May 3, 2006 at the African Heads of State Summit on AIDS, TB and Malaria

• Independent, Innovative, Multisectoral, Pan-African organization with credible and committed leaders in Africa

• Promotes understanding within Africa for additional funding and awareness for AIDS, TB and malaria by mobilizing strategic political and civil support
SUB-SAHARAN HEALTH CRISIS
AIDS, TB and Malaria are a Global Health Crisis approximately 6 million deaths a year and 16,000 a day and Africa is the hardest hit

- 1.6 million deaths in Sub-Saharan Africa in 2007.
- 540,000 Tuberculosis deaths annually in Africa
- 1 million deaths a year due to malaria, with 90% of these deaths occurring in Africa, mostly in children under 5 years of age.
- Life expectancy for men is 47 years
SUB-SAHARAN HEALTH CRISIS CONT'D
